Dear Dr Malina

It is my pleasure to advise that you have been selected to receive an Endeavour Research Fellowship.

The Endeavour Scholarships and Fellowships are offered by the Australian Government to support recipients to undertake study, research and professional development in Australia and overseas.

The opportunities this programme provides can be transformative, and I encourage you to make the most of the experience this opportunity presents.

I offer you my congratulations on joining the select group of individuals who have received an Endeavour Scholarship or Fellowship. I trust that the experience you gain through your participation will be both challenging and rewarding, and wish you well in this undertaking.

Yours sincerely
